Extract from page 21 of the Dewan's Tour Notes in Bangalore Kolar and Tumkur Districts in July 1925.

~~XXXx~~ (vii) Transfer of the Munsiff's Court from Tumkur to Tiptur.

The Dewan said that this ~~XXXW~~ was an old question which had been considered at the time of making the Second court permanent. Government consider that Tumkur is more central for the location of this court, but if the question was pressed the Dewan had no objection to refer it to the Laws' Delays Committee for opinion.

Submd for orders as to whether this question may be referred to the Laws' Delays Committee. - One of the terms of reference [is aimed at a better location of Courts]. The present case will be considered by the Committee, whether this shd be to the Committee or not. There is no objection in sending it, when the Committee is formed.

2996/26 para 347 Munsiffs courts As already explained in another chapter, the bulk of the civil litigation in the State lies in the Munsiffs' courts and it is with regard to these courts that the need for the largest amount of relief is felt.

348 The state of work in Munsiffs Courts affects by far the largest percentage of litigants than in the higher courts. On account of the comparatively larger number of courts in this class and the fact that the territorial jurisdiction of the whole State is divided among them, it appears neither necessary nor expedient to go into details respecting the congestion in each of the courts, and it will be sufficient if we refer to the statement of arrears given elsewhere in this Chapter.

349 We have given careful consideration to the following points in respect of these courts, in suggesting permanent and temporary measures of relief and in the re-distribution of their present territorial jurisdiction :--

1. The number of existing courts.

2. Existing congestion and the probable number of institutions in future according to the present territorial jurisdiction and according to the redistribution proposed by us.

3. Importance of centres and location of the courts.

4. Facilities for transport by road, railways, or otherwise at present existing or may be expected in the near future.

5. Preference as far as possible in the location of courts at different places than grouping a number of them at a single centre.

6. To disturb as little as possible the existing territorial jurisdiction, except where a change is necessary on account of the creation of new courts, permanent or temporary, or where it is found necessary on account of other causes to redistribute the existing areas.

)) 350 We have endeavoured, as far as possible, to secure an equal distribution of work as between the several courts from the point of view of both the number of institutions and the nature of litigation. We have also considered representations made by the inhabitants of particular taluks or localities in this matter and the location

of Munsiffs' Courts and accepted them wherever such special representations do not conflict with the general principles adopted by us for allocation to courts. We have for instance accepted the representations from the people of Nelamangala taluk ~~and~~ that it is inconvenient for them to have their taluk included within the jurisdiction of the Dodballapur Munsiff and that they would prefer to be included within the territorial jurisdiction of a Munsiff's Court located at Bangalore. We have accepted the representations of the people of Closepet and Tiptur for a Munsiff's Court being located at those places, respectively. On the other hand, we have come across representations where the people of several other taluks, which are neither convenient centres nor can be said to be centrally situated, have urged the location of Munsiff's Courts at their respective taluk head quarters. Many of these representations conflicted with the interests of neighbouring taluks and it is obvious that it is not possible to satisfy all representations for the location of a Munsiff's Court at each head quarters. Wherever these representations conflicted with the general principles of equal distribution and convenient

centres for locating Munsiffs' Courts, we have refrained from accepting them.

357 In the light of these observations, we think that it will be convenient to divide our proposals to give relief to Munsiffs' Courts into (1) permanent and (2) temporary.

352 The sub-joined table will show the names of the existing Munsiffs' Courts, their present territorial jurisdiction and the changes in their location and in their territorial jurisdiction as recommended by the Committee.

6) The Laws' Delays' committee have recommended that the additional Munsiffs Courts at Bangalore and Mysore and the Second Munsiffs court at Tumkur be shifted to Kolaspet, Kundgol and Tiptur respectively. Govt had previously considered the question of shifting the additional Munsiffs court at Bangalore to Kolaspet and had agreed to do so but the question had been held over on account of financial considerations. The people of Tiptur have been pressing that the Second court at Tumkur may be shifted to Tiptur. A petition had also been received from the people of Gubbi praying that the Second court at Tumkur may not be shifted to Tiptur and if it is decided that it should be located at Tiptur, civil jurisdiction over Gubbi Taluk may be transferred to the First Munsiffs court at Tumkur. The Laws' Delays' Committee recommend that the Second court at Tumkur may be transferred to Tiptur and the jurisdiction over Gubbi Taluk transferred to the First court at Tumkur. This ~~will save the question~~ suggestion will satisfy both the people of Gubbi and Tiptur. The additional court at Mysore was intended to be a roving court and it was temporarily located at Mysore in the first instance. There is likely to be no

no objection to the shifting of this court to Mandya. This proposal does not conflict with the Munsiff's magistrate's scheme as it is proposed thereon to give a Munsiff's court to Hosapet and a Munsiff's magistrate's court to Mandya and Tiptur.

7) From the administrative point of view, the proposal involves extra cost. The additional courts at Mysore and Bangalore have each an establishment costing Rs 105/- per. If these courts are shifted and given independent jurisdiction, they would have to be given the full complement of the staff including process servers - as noted in the margin. The extra cost in the case of establishment will be Rs 353 3/4 - 105 = 248 3/4 Rs p.m. = 9/6 a rent of Rs 40/- per. for a building for the court is included, the total extra cost will be Rs 288 3/4 per. or. 3465 per annum. As the second Munsiff's court at Tumkur which has the full complement of staff is proposed to be shifted, no extra cost need be incurred beyond rent which will not exceed Rs 500/- per annum. The total cost extra that is required for giving effect to the proposal is approximately Rs 4000/- per annum. There is no provision in this year budget. An additional grant would have to be asked for from the L.C.

The D. committee also recommend that certain hoblis of Gubbi Taluk may be transferred to the jurisdiction of the First M/ Court at Tumkur and the Second court to Tiptur. The petition of the Gubbi

R. O. C. No. 353

From

A. Sreenivasaragavachari, Esq., B.A., B.L.,
Registrar, Chief Court of Mysore.

To

B. N A G A P P A , Esq., Bar-at-Law,
Secretary to Government,
Law Department.

Sir,

I am directed to acknowledge the receipt of your letter No.728/Cts. dated 1st August 1927, requesting to be furnished with draft Notifications fixing the jurisdiction of certain Courts in pursuance of Government Order No.P.5239-53/Cts. 263-26-1 dated 4th April 1927.

2. In reply, I am to state that as regards the appellate power of the District Judge at Bangalore, under Section 14 of the Civil Courts' Regulation, appeals from decrees and orders of Munsiffs will lie to the District Judge having local jurisdiction. But under Section 14 of the Chief Court Regulation, the Government may confer upon Chief Court jurisdiction to hear and decide all such appeals as are allowed by law to a District Court or to a Court of Session and under clause (2) of the said Section, during the continuance of such Notification as aforesaid, the District Court or the Court of Session concerned cannot exercise jurisdiction except in regard to cases of appeals transferred to that Court by the Chief Court.

3. The Government in 1890 issued a Notification under Section 14 of the Chief Court Regulation.No.227 dated the 6th September 1890 conferring upon the Chief Court power.

to hear appeals arising in the Bangalore Division. Under clause (3), Section 14 of the Chief Court Regulation the Government have power to withdraw any appellate jurisdiction conferred upon Chief Court under that Section. If, as now decided, appeals arising in the Bangalore Division are to lie hereafter to the District and Sessions Judge, Bangalore, all that is necessary is to cancel the Notification dated 6th September 1890 with effect from certain given date, and thereafter all appeals referred to in Section 14 of the Civil Courts' Regulation and Section 408 of the Code of Criminal Procedure will lie automatically to the District and Sessions Court, Bangalore.

4. As regards investing the Small Cause Court at Mysore with power to hear appeals against the decisions of Munsiffs, it is doubtful if this can be done unless the nomenclature of that Court is somewhat altered. Before the year 1911 the Civil Courts' Regulation recognised besides the Chief Court (Vide Section 3) only three classes of courts, viz., District Court, the Court of the Subordinate Judge and the Court of the Munsiff. The fourth class of Courts, viz., the Court of Small Causes was added by Regulation VIII of 1911. Under Section 14 of the Civil Courts' Regulation appeals from decrees and orders of Munsiffs -- when such appeals are allowed by law -- lie to the District Court having local jurisdiction. But provision is made for such District Court to refer any such appeal for disposal to any Subordinate Judge within the limits of its local jurisdiction. There is no reference in that Section to Judges of purely courts of Small Causes. There is also no provision in the Mysore Small Cause Courts' Regulation VIII of 1911 for investing Small Cause Courts with appellate powers. Such powers can only be conferred under the provisions of the Civil Courts Regulation.

5. I am to observe that there are two possible ways of meeting the difficulty. One is to amend the first Proviso to Section 14 of the Mysore Civil Courts' Regulation (which can be done only by legislation) by adding the words "or Judge of the Court of the Small Causes" after the words "Subordinate Judge". The other and simpler alternative is to call the proposed Small Cause Court at Mysore an additional Subordinate Judge's Court for the time being and invest it with Small Cause powers under Section 16 of the Civil Courts' Regulation, till Section 14 is amended as suggested. The Judges would prefer the latter course in view of the fact that the Court of Small Causes is proposed to be established only tentatively for a period of two years.

6. I am to append herewith the several draft Notifications in the light of the above observations.

I have the honour to be,

S i r,

Your most obedient servant,

REGISTRAR.

CHIEF COURT

Dear Sir,

5/10/27 "H" With reference to Government Notification No.P.1663/Cts. 200-26, dated the 24th September 1927, re: alterations in the local limits of jurisdiction of certain Munsiffs' Courts, I regret that there is an error which has not been noticed either in this office at the time the draft Notification was prepared or on the Secretariat when it was issued. The mistake lies in the assumption that the Kadakola Hobli belongs to the Nanjangud taluk and that therefore it is the Nanjangud Munsiff that was previously exercising jurisdiction over it. With a view to give him relief, the Laws' Delays' Committee proposed that that Hobli should be removed from his jurisdiction. But as it transpires, however, that this hobli is within the Mysore taluk, and as it is not intended to interfere with the existing jurisdiction of the First Munsiff, Mysore, the jurisdiction over that Hobli may be left undisturbed.

I have asked for the orders of the Chief Judge who is now at Mysore, and a formal reference will be made to Government as early as possible in the matter. Will you please see that the amending Notification is issued immediately and a copy thereof sent direct to the District Judge, Mysore to save time, and also that it is published in the Gazette of the 13th instant (as there is no issue of the Gazette on the 6th)? The revised territorial jurisdiction will, as you know, come into effect from the 14th instant.

Please let me have a line in reply.

Yours Sincerely,

Sheeno adoyanda

CB200-26-18

Dear Sir,

Adverting to Government Notification No.P.1663/Cts. 200-26 dated the 24th September 1927, sanctioning certain alterations in the local limits of jurisdiction of Munsiffs' Courts, I regret that there has been a mistake in regard to the Court which should exercise jurisdiction over the Kadakola Hobli. It was thought that this hobli belonged to the Nanjangud taluk, and that therefore it was the Munsiff of Nanjangud who had local jurisdiction over that Hobli. The transfer of jurisdiction over the Kadakola Hobli was suggested by the Laws' Delays' Committee with a view to give relief to the Nanjangud Munsiff's Court, on the assumption that that hobli formed part of the Nanjangud Taluk. As, however, it is now found that this hobli belongs to the Mysore Taluk and not to the Nanjangud taluk, and as no change in the present territorial jurisdiction of the First Munsiff, Mysore, is necessary or intended, I am to request that Government may be pleased to issue ~~an addendum~~ a Corrigendum to the said Notification, in accordance with the draft enclosed herein.

I am to request that the amended Notification may be issued immediately so as to appear in the very next issue of the Mysore Gazette on the 13th instant, as the alterations are to come into effect from the 14th October 1927.

Yours Sincerely,
Athemios Nagarekar

Sir,

I am directed to invite reference to Government Notification No.P.1782/Cts. 200-26 dated the 29th September 1927, withdrawing, with effect from 1st December 1927, the appellate jurisdiction conferred on the Chief Court in Notification No.227 dated the 6th September 1890.

I am to state that as there is some doubt felt as to whether the withdrawal of jurisdiction referred to in the said Notification may not possibly apply even to such appeals as are already pending in the Chief Court, it is considered necessary to make matters clear by issuing an amended Notification excluding from the purview of the present Notification all those appeals that were pending in the Chief Court, on the 1st December 1927.

I am therefore to request that the draft Notification sent herewith may kindly be issued by Government immediately so that it may appear in the very next issue of the Gazette, viz. that of 15th December 1927.

I have the honour to be,
Sir,
